***Wait!!! Before you flush or dump those drugs!!!***

The Foothills Substation has a safe drug disposal service for those unused, left over or expired meds. Bring them to the substation in a zip-lock baggie and to avoid accidental access by a pet or child and to keep our aquifer clean.

We cannot accept liquids, inhalers, chemicals or needles/sharps. If you have pills in a blister pack remove them first and take any pills out of containers. We have zip-lock baggies at the front desk if you need one.

Foothills Substation is at 12800 Lomas Blvd NE and open Monday through Friday from 8:00 a.m. to 5:00 p.m. for this service. Questions? Call 332-5240.
